

lepton/include/Exception.h

```
graph TD; A[lepton/include/Exception.h] --> B[exception]; A --> C[string];
```

A diagram illustrating header file dependencies. At the top, a gray rectangular box with a black border contains the text "lepton/include/Exception.h". Two blue arrows originate from the bottom center of this box. The arrow on the left points down and to the left to a white rectangular box with a gray border containing the text "exception". The arrow on the right points down and to the right to another white rectangular box with a gray border containing the text "string".

exception

string
